Project Reference Number: _____ PLEASE PRINT

Large grid area for drawing or calculations.

Shape: VG60 - Gable

h = [] h1 = [] w = []

Glass Thickness:

[] 1/4" [] 3/8" [] 1/2"

Other - Specify

Input field for glass thickness specification.

Edgework:

[] Flat [] Pencil [] Seamed

Other - Specify

Input field for edgework specification.

Glass Type:

[] Clear [] Low-Iron [] Acid Etch

Other - Specify

Input field for glass type specification.

Additional Specifications:

Large input field for additional specifications.

Please mark any fabrication needs, edgework, hole drilling, notching, cut-out, etc.

Important to Note: A formal diagram of the specifications above will be provided to customer along with quote and/or order confirmation. Glass will be fabricated to the manufacturer's diagram. It is the responsibility of the customer to ensure the diagram is correct. The diagram supersedes all other specifications. This work sheet is to ensure proper communication during the order process only. We welcome and appreciate .dxf files. Thank you!
